*"As a proud wine connoisseur, I believe that wine is more than just a beverage; it's a reflection of nature's artistry, craftsmanship and the rich tapestry of the land it comes from. In the heart of British Columbia, where our vineyards thrive in diverse terroirs, I have dedicated our program to showcase wines that speak to these vast unique regions. At Wildlight Kitchen + Bar, we believe in celebrating the flavors of the B.C. West Coast, a region renowned for its diverse culinary treasures and breathtaking landscapes. I have curated our wine list to be a journey through this terroir, offering a perfect harmony of local wines that complement our innovative dishes and exquisite cocktail program. Whether you're savoring our delicate miso-glazed sablefish with a Chablis-style Naramata chardonnay or indulging in a hearty local striploin steak with a robust Similkameen Meritage blend, our wine selections create a symphony of taste on your palate"*
