

As proud wine enthusiasts, we believe that wine is more than just a beverage; it's a reflection of nature's artistry, craftsmanship and the rich tapestry of the land it comes from. Nestled in the heart of British Columbia, our vineyards flourish amidst varied terroirs, inspiring our commitment to showcasing wines that echo the region's rich diversity. At Wildlight Kitchen + Bar, we embrace the vibrant flavors of the B.C. West Coast, renowned for its culinary treasures and awe-taking landscapes.

With meticulous curation, our wine list guides you on a journey through this terroir, offering a seamless fusion of local gems and handpicked international treasures, including captivating back vintages. Our focus on British Columbia wines remains paramount, yet we take pride in offering a captivating array of global selections.

Chef Warren's culinary artistry serves as a cornerstone of our dining experience, elevating each dish to a symphony of flavors. Whether savoring our pescatarian board paired with a Chablis or indulging in a hearty local striploin steak accompanied by a robust Cabernet Sauvignon, our wine selections harmonize seamlessly with his creations, enhancing every palate-pleasing moment.
